4 Transportation

Transport to and from the airport is supplied by SkyVenture Montreal as part of the entry fees. More details to come in Bulletin #2.

A city shuttle (Line 360) will provide transportation between hotels and our facility, at no cost for participants. It will run between SkyVenture Montreal and the following hotels associated with WISC 2017:

- Comfort Inn
- Hilton Montréal/Laval
- Holiday Inn Laval Montreal

As well as other hotels:

- Quality Suites
- Sheraton Laval
- Centre de congrès Palace

Schedule & info: www.tourismelaval.com/en/360-bus-line

By Road

SkyVenture Montréal is right off Highway 15, which connects the island of Montreal with Laval, where SkyVenture Montreal is located.

By Train

For competitors who are leaving from certain locations in Canada or the United States, taking a train with VIA Rail Canada is available (<http://www.viarail.ca/en>).

Trains stop at Gare Centrale, which is connected to the Bonaventure subway station on the STM orange line (www.stm.info/en).

Public Transit

There is a large network of public transportation in Montreal and Laval and both cities are connected by a subway line. The closest subway station to SkyVenture Montréal is Montmorency station on the STM (*Société des transports de Montréal*) orange line (www.stm.info/en).

From Montmorency station, competitors can use two different bus lines that offer a direct link to SkyVenture Montréal: lines 61 and 70 (<http://www.stl.laval.qc.ca/>). Detailed bus schedules will eventually be available for download on the event website.

REGISTRATION AND PAYMENT PROCEDURE

A valid 2017 FAI Sporting Licence is required and must be obtained through the competitor's NAC (National Airport Control). All competitors must be registered by their NAC before completing the registration process with the Organizer.

STEP 1: PROVISIONAL ENTRY (FOR NACS)

Each NAC will receive a secure PDF form to fill out with information regarding the teams representing their respective country, such as:

Number of teams in each event/category.

- Name and birthdate of each team member.
- Name of team captain + his/her contact information.
- FAI sporting licence numbers for each team member.
- Indication of team members participating in more than one event.
- Credit card information (if the NAC is paying for its delegation's registration fees with a credit card*). The invoice confirming the payment will be sent within 48 business hours of receiving the registration form.

* We will also accept a money transfer through a bank.

Once the form is complete with the information above, NAC representatives will close the entry and make it official by affixing their seal. The Organizer will then receive the official entry and have the necessary information to contact all team captains to finalize the registration process.

Deadline for provisional entry: July 25, 2017

STEP 2: FINAL ENTRY (FOR COMPETITORS)

Based on the information transferred by the NACs, each team captain will receive a secure PDF registration form by email and will be required to submit additional details to the Organizer, such as credit card information (if the registration fees haven't already been paid by the NAC) and team members' contact details and t-shirt size.

Once filled out, this form must be emailed to the event's Registration and Booking Manager: Catherine Carignan-Levasseur (catherine.c@skyventuremontreal.com). The invoice confirming the payment will be sent to the team captain within 48 business hours of receiving their registration form.

Deadline for final submission: August 25, 2017

**Please note that only NAC representatives can change the number of teams or team members registered.

*** Payment by credit cards only (VISA and Mastercard)

Late registration: September 1, 2017

We will accept entries after the deadline only if capacity allows. Registration fees will be increased by 25% for late entries after September 1, 2017. The Sanction fee will remain the same.

6 Wind tunnel facilities

AT SKYVENTURE MONTREAL

Registration will be held in the main lobby where we have 5 modern computer terminals hooked to the same network and a customized system that will be used to process registrations, accounting tasks, track and process information, create databases and conduct other administrative tasks as required.

Our large conference room and classroom will be made available to the judges' panels for the duration of the event including before and during competition. Computers, video playback screens, printers and any other required equipment will be provided.

An electronic image dubbing area will not be necessary as all flight chamber footage is immediately transferred to a video server from which the files can be easily accessed or transferred.

The building is equipped with 5 private unisex public toilets (3 on the first floor and 2 on the second floor), a water fountain as well as a fridge filled with various beverages available for purchase. Water bottles will also be provided to the athletes and included in the registration fees.

COMPETITORS' LOUNGE

Competitors, delegation members and accompanying persons will have access to a venue located about 15 meters away from SkyVenture Montreal. The purpose of this venue is to provide a space where people can eat, relax, socialize and watch the competition from a distance on large TV screens, which will show:

- the internet Live stream;
- the current rankings and video recaps generated InTime scoring system.

Wifi will also be provided.

CREEPING AREA

A large heated tent will be set up in SkyVenture Montreal's parking lot for creeping, meetings and preparation purposes only. Athletes will also be able to store their equipment in that area.

CENTROPOLIS

SkyVenture Montréal is located in [Centropolis](#), a large shopping area in which many restaurants, markets and food shops can be found in the event that athletes wish to purchase their own food.

CLOSING AND OPENING CEREMONIES

SkyVenture Montréal will rent and/or reserve space at off-site facilities to hold the opening and closing ceremonies, a banquet and other social events or gatherings. Off-site spaces for Closing and Opening ceremonies will all be within walking distance from our facilities.

7 Wind tunnel details

SkyVenture Montréal is a privately owned, state-of-the-art and modern indoor skydiving facility which uses licensed technology developed by SkyVenture LLC, the leading manufacturer of wind tunnels worldwide.

SkyVenture Montréal's wind tunnel has a **height of 45 feet** and a **14-foot diameter glass flight chamber** with SkyVenture's patented wall-to-wall airflow. The flight chamber is round and its **glass part reaches 2.5 meters in height**. Additionally, four 350-horsepower motors recirculate

wind at **speeds of up to 275 km/h (170 mph)**. Wind can therefore be adjusted to any requirements of each discipline.

Our technology allows us to control the tunnel temperature regardless of external conditions. We guarantee that our tunnel is **always comfortable to fly in**.

Our wind tunnel requires our ante-chamber door to be closed for flying and we must open / close them to let competitors in and out of the ante-chamber.

8 Pre event training

Teams who arrive before the competition and would like to train at SkyVenture Montréal will be able to purchase 60-minute blocks of time at a rate of \$825.60 CAD including taxes. The tunnel will be available for all competitors starting on October 9, 2017. The minimum time that can be bought is a 15-minute block.

Anti-Doping policy

<http://www.fai.org/cimp-anti-doping-programme/rules-and-procedures>

The FAI Anti-Doping Rules are designed to implement FAI's responsibilities under the World Anti-Doping Code. They reflect FAI's determination to ensure that there is no doping in air sports. Athletes accept these rules as a condition of participation in air sports.

Anti-Doping programmes seek to preserve what is intrinsically valuable about sport. This intrinsic value is sometimes referred to as "the spirit of sport". This spirit of sport is characterized by such positive elements as:

- Ethics, fair play and honesty
- Respect for rules and laws
- Respect for self and other participants
- Teamwork
- Dedication and commitment
- Courage
- Community and solidarity
- Health
- Excellence in performance
- Character and education
- Excitement and pleasure
- Doping is fundamentally contrary to the spirit of sport.
