

## **12th FAI European Microlight Championships**

### **Bulletin No. 1**

#### **I. Documents needed for permit to fly in Slovakia**

**For every microlight flying in Slovakia a special permit issued by the Slovakian CAA is needed.**

Organizer will assure free of charge issuing of permit for all competitors. For request of issuing of this permit are needed following documents:

1. Registration data of relevant aircraft
  - a. Type of airplane
  - b. Manufacturer
  - c. Registration mark
  - d. Year of first issuing of airworthiness certificate or permit to fly in domestic country
  - e. Date of validity of current airworthiness certificate or permit to fly in domestic country
2. Copy of airworthiness certificate or permit to fly in domestic country
3. Copy of Insurance certificate
4. Copy of Radio and/or Responder license, if will be used in Slovakia
5. Copy of valid Pilot license.

These documents are needed no later, than 30. 7. 2013.

All documents shall be sent in electronic form (.pdf format) to address:

[poldirex@gmail.com](mailto:poldirex@gmail.com)

#### **II. Last member of Jury**

**Mr. Nino Muelas from Spain is nominated for the third member of international jury.**

#### **III. Change of Steward**

**Mr. Marton Ordody from Hungary was replaced by Ershebet Vizaknai from Hungary.  
Reason was withdrawing of Mr. Ordody.**

- IV. Exemption for class validity for classes AL1 and GL2, (if will be needed)**  
**By board of CIMA committee was allowed exemption for validity of hereinbefore defined classes. Class will be valid, if at least 4 pilots from 2 countries will take off in at least first task. (Organizers comment: hopefully no exemption will be needed).**

**Vladimir Silhan, Championships director**
