C. BULLETIN IV

C 1. A VERY WARM WELCOME FROM THE MAYOR OF KUBSCHÜTZ

The Mayor of Kubschütz gives all participants in the 21st World Precision Flying Championship a very warm welcome. Bautzen Airfield is located in his area of competence. He wishes you all a pleasant stay and a great time in Bautzen and its surroundings.

C 2. REMINDER - IMPORTANT DATES

This is just a friendly reminder to complete the Final Entry Form and the Questionnaire and to send them by e-mail to entry@wpfc2013.de by **1 July 2013** at the latest. We also need a photo of yourself as soon as possible.

C 3. ICAO MAPS AND AERODROME CHARTS

As soon as we have received your final entry form, we will send ICAO maps of the competition area as well as aerodrome charts for each pilot to the NAC in charge. This package to the NAC will also include a 1:200 000 sample competition map. Please note that the competition map will be in A3 format and printed separately for each stage.

C 4. VISA REQUEST AND LICENCE VALIDATION

We are in contact with the three countries that asked for assistance in this matter. Anyone who also needs help should contact us as soon as possible (info@wpfc2013.de).

C 5. WEBSITE UPDATES

Maybe, you have noticed that we are adding new content to our website from time to time. The most recent update includes information about the City of Bautzen and the beautiful area around. At present, we are preparing more detailed information about EDAB. Please visit our website regularly to keep up-to-date with the latest news and information.

C 6. TRANSPONDER AND ELT

Please note that you have to carry a 406 MHz ELT on board when flying in Germany. The use of a transponder is recommended but not necessary as we will stay in uncontrolled airspace below 3,500 ft.

C 7. ACCOMMODATION DURING THE TRAINING WEEK

We did not expect such a high demand for hotel rooms during the training week. This will make it necessary to book rooms in another hotel for some of the competitors. We will inform you about the details later. Thank you for your understanding.
