

Bulletin 1

14th FAI World Para Ski Championships

2014 in Tanay (Russia)

The Details of The Competition

14th FAI World Para Ski Championships

Date and location of the Competition

March,11 – March 16, 2014, Russia, Kemerovo region, Promishlennay district, drop-zone Tanay

Competition purposes

- To determine World champions in Paraski in individual classification– male and female separately;
- To determine World champions in Paraski team competition– male and mixed teams together and female teams and junior teams separately;
- To determine World champions in Paraski junior classification (date of birth on or after 01/01/1990 – age of 24 years) – male and female separately;
- To determine the Winner of the World Master class Paraski (date of birth on or before 31/12/1964 – age of 50 years) – male and female separately;
[* for minimum participation in all classifications see IPC Paraski CR § 4.4.8.]
- To advance and develop Paraski, as an attractive sport;
- To exchange ideas and to strengthen friendly relations between parachutists, judges and technicians of all nationalities;
- To improve methods and technologies of judging.

Participants

A maximum of 4 teams per nation is allowed. Three teams may be all male, all female, or of mixed gender, but there may be no more than 8 males or 8 females, in these three teams. The fourth team may be composed only of juniors, or for each junior included in the three teams mentioned above, the fourth team may include one competitor of the same gender, who is not a junior. For a team to be eligible for Junior Team ranking, it must be composed of 4 junior competitors.

All competitions will be carried out according to rules of the FAI/IPC competitions.
