

FAI ROTORCRAFT COMMISSION

Proficiency Certificates Claim form

IMPORTANT NOTE: This standard claim form is issued by the CIG. NACs shall make the standard claim form available to their members, and its use is strongly recommended to document the performances achieved and to maintain the NAC register of Proficiency Certificates which they have validated. The FAI or CIG reserve the right to request further information or documentation. Detailed information on the CIG Proficiency certificates scheme may also be found on the CIG Sporting Code.

CONTROLLING OBSERVERS

The Controlling Observer is an individual appointed by the relevant NAC to control the proficiency certificate performances, and to verify and approve the applications.

PROFICIENCY CERTIFICATES

Certificates may be purchased by NACs from the FAI/CIG. These certificates shall be issued to pilots who have achieved the requirements for the respective certificate.

	Flight Examiner rating			
	IFR rating			
	Instructor rating			
	Night rating			
	Multi-engine rating	-		

CERTIFICATION

The undersigned applicant and observer certify that the claim above is correct and satisfactorily proven. They understand and agree that the FAI/CIG may at any time request proof that a performance was realised and controlled in accordance with the Sporting Code regulations, that it may refuse recognition if it finds the evidence to be insufficient, and that negligent certification or willful misrepresentation will be grounds for disciplinary action by the applicant's or observer's NAC.
