

## **FAI-Policy** **for the Expert Group « EDUCATION »**

### **1. Policy**

- To find how to allow and encourage the next generations to fly
- Increase level of awareness of Education and expand education projects
- Preserving and expanding the FAI young artists contest
- Expanding and strengthening the existing international network in the field of Education

### **2. Goals**

The FAI Education Expert Group shall:

- Persuade people and others to see the attraction of our activities and to entice them to want to try them.
- Set up programs reusable by NACs on national level for introduction to air sports
- Expanding of the FAI Young Artist Contest and assure a larger participation
- Use all the latest technologies to ensure its policy and goals (games, posters, videos, etc)
- **Support the FAI Trainees Program**
- Preserving and deepen the contacts with IACE
- At least 4 Skype meetings per year with fixed dates, more if needed

### **3. Action plan :**

#### **A) Until GC October 17th** (Report to EB/GC until sept)

- Proposal to EB of the 3 main tasks for EEG in 2015

#### **B) Before 30 November 2014**

- Clarification at the NAC's about participating in the young artists contest 2015 and new call for tenders / motivation of other countries

#### **C) Before 31 January 2015**

- Schedule for 4 Skype Meetings in 2015 created and confirmed

#### **D) Before 31 May 2015**

- Completion of a concept for an additional category in the young artists contest (eg computer graphics)
