January 2014

Report from World Soaring Championships Trophies Manager to the IGC 2014 Plenary

Author: Marina Vigorito

The document has been updated with the names of the 2013 Champions. The history of each trophy and the list of the former champions is on the IGC website..

As agreed last year, the Polish Aeroclub offered the World Trophy for the Junior World Gliding Championships.

The new 15m class Women's Trophy was awarded in occasion of the 7th FAI WWGC in Issoudun.

The details of the new trophies are described in the relevant section of the trophy history.

Stefano and Riccardo Brigliadori would like to offer the 13,5m class FAI Challenger Cup dedicated to the memory of their father, in occasion of the first World Gliding Championships for this class, in 2015 in Lithuania. On behalf of Leonardo's sons, I kindly ask the Delegates to support for this initiative.

We are still missing the list of the winning Countries of the World Soaring Cup before 2006. Any contribution to write the history of this trophy will be highly appreciated.
