## **L: Additional information**

In Banja Luka I have presented a hotel for the Plenary Meeting, called FAVORITA. Unfortunately this hotel will be closed soon and will reopen next year as a 5 star hotel.

Now the good news: the hotel chain “Austria Trend” offered me a replacement, called Hotel Bosei. Hotel Bosei is indeed more expensive than Favorita, but the initial contract offered by Favorita has been accepted by Hotel Bosei.

That means we now have a better hotel for the same entry fee.

GRITSCH Johann, IPC Delegate
