IPC JURY NOTICE

Title & Location of Competition
<p>FAI-Mondials Chicago 2016 September 10-21 22th FS / 11th AE / 1th Speed / 17th CF / 34th FS+Acc / 8th Junior FS+Acc</p>
<p>IPC Jury Meeting No: -4-</p>
<p>Time and Date: 17.45, 11. September 2016</p>
<p>Subject: Request from the CJ of Canopy Formation, Bernard Nicolas, to lower the exit speed for 2-way sequential. According the Bulletin 2 it is 85-90 knots. For safety reasons, with the small canopies, he requires to reduce the exit speed to 70-75 knots.</p>
<p>Details: During the Technical Meeting after the General Meeting the teams made the CJ aware, that for 2-way sequential, the opening shock for the canopies would be too high.</p>
<p>Decision: The Jury approved the request to reduce the exit speed for CF 2 way sequential to 70-75 knots.</p>
