

7th FAI European Canopy Formation Championships, Saarlouis, Germany 8-12 August 2017

9th FAI World Cup of Canopy Formation, Saarlouis, Germany 9-12 August 2017

Event Discipline: 4-Way Sequential

Despite the efforts of the IPC Bureau and the Canopy Formation Committee to encourage a revised minimum participation (3 NAC's) in this discipline and extending the deadline for entries to 30th April 2017 only 2 NAC's have registered for participation. Therefore, under the conditions of SC5 4.10:

"4.10 MINIMUM PARTICIPATION

Where less than 4 NACs are entered in an event (see Competition Rules – SC5 4.2) at an FCE, the Sporting Code, GS 4.4.3.1 permits the IPC to determine whether the event will take place and whether the title of Champion will be awarded.

(1) Six months before an FCE, the relevant IPC Committee must determine the number of NACs intending to enter a team or individuals in an event at the FCE. If the relevant IPC Committee determines that less than 4 NACs have this intention, the event will not take place. The Committee will inform the IPC Bureau of this and the IPC Recording Secretary will send out an information notice within seven days to the FCE Organiser, IPC Delegates and NACs that the particular event will not take place and will arrange for its publication on the FAI/IPC website."

Event Discipline: 4-Way Rotation

Unfortunately only one NAC registered a team for this discipline and so it also falls within the remit of SC5 4.10.

therefore, these event disciplines will not take place at the European Championships and World Cup in Saarlouis, Germany 2017.

The IPC Bureau would like to thank those NAC's that did register for their continued support of these event disciplines.

Susan Dixon

IPC Recording Secretary

3rd May 2017
